

Shopping online to help your school: Easy, convenient and powerful!

10/28/2010

You're familiar with [clipping Box Tops](#), but did you know there are three online ways to earn cash for your school as well? Here's a brief summary of each:

Box Tops Marketplace®:

Over 100 retailers – including favorites such as Target, JCPenney and Lands' End – have teamed up with Box Tops to help you earn cash for your school. Just start your online shopping at the Marketplace and earn up to 15% cash back for your school with every qualifying purchase—it's as simple as that. Learn more at the [Marketplace](#).

Box Tops Reading RoomSM:

Much like the Marketplace, the Reading Room allows you to buy books and other materials directly from Barnes & Noble and earn cash for your school at the same time – up to 6% cash back with every qualifying purchase. The site also offers a wealth of reading recommendations to help you find just the right book for your family or friends. Learn more at the [Reading Room](#).

My Class Essentials™:

Did you know that America's teachers spend on average nearly \$500 a year of their own money on supplies for their classroom? My Class Essentials makes it possible for teachers to create a classroom registry for the supplies they need most. Then parents and other school supporters can shop their teachers' registries to help the classrooms get the supplies they need. And every qualifying purchase you make earns 2% cash back for your school! Learn more about [My Class Essentials](#).

DID YOU KNOW THAT WE MADE OVER \$400 BY CLIPPING BOX TOPS? WOW!
THANK YOU, MARY ALICE MCCOOLE, FOR COORDINATING THIS EFFORT!
